I have EGD (Acid Reflux issues) almost every day.

I will have a place to go, when I get out. I will immediately file for my SSI disability and after I get my medical attention, I will return to employment. Which would be going to work in a transmission shop. This is one of my specialties.

I have no write-ups in the last (4) years, am non-violent - I meet the requirement that the DOJ/BOP have listed for Home Confinement and Immediate Release due to the Covid 19 Virus.

As of today (5/18/20), the prison in Forrest City, AR, now has an estimated 70% plus, positive rate of infection of the Covid 19 Virus.

Thank You.

Sincerely,

Leslie Jon Claassen
